BYE-LAWS.

Regulating the conduct of business in the meeting.

CHAPTER I.

1. The ordinary meetings prescribed by section 38 of the Act shall be held at the office of the Commissioners at a fixed hour of a fixed day of each month to be decided upon at the last ordinary meeting of the preceding year.
2. In the event of the Chairman or Vice-Chairman determining to call a special meeting, not less than three clear days' notice shall be given to the Commissioners of the day fixed for such special meeting.
3. A notice of the business to be brought forward at every meeting shall be circulated, by hand or post, to each Commissioner, and shall be hung up at the office of the Commissioners not less than three days before the date of the meeting.
4. Any Commissioner desirous of submitting any motion to the meeting must forward a copy of such motion to the Chairman not less than seven days before the date of such meeting for incorporation in the notice of business. A notice book shall be kept in the office of the Commissioners, in which all notices of motions shall be entered. All such notices shall be dated and numbered as received.
5. At ordinary meetings the business shall be transacted in the following order, unless the President, with the consent of the majority of the members present, determine otherwise:—
 - (a) The minutes of the last ordinary meeting and of any special meeting since held shall be laid before the meeting, and if approved as correctly entered, shall be signed by the Chairman. No discussion as to the propriety or otherwise of any resolution duly passed shall be allowed.
 - (b) Any business postponed from the last ordinary meeting.
 - (c) The business contained in the notice of the meeting prescribed by Rule 3 above in the order in which it appears in the notice paper, unless the President, with the consent of the majority of the members present, determine otherwise.
 - (d) Additional business brought forward by the President with the consent of the majority of the members present, provided that any decision recorded or resolution adopted in regard to such business shall be subject to confirmation by the next ordinary meeting.
6. At an adjourned meeting no business, save that which the original meeting left unfinished, shall be transacted except as provided in Rule 9 below.
7. At a special meeting no business save that for which the meeting was called shall be transacted, except as provided in Rule 9 below.

8. It shall be competent to any Commissioner to move a resolution to the effect that the subject under consideration be referred to a Committee, and such Commissioner may also at the same time propose the names of the members to form such Committee.

9. Provided, however, that any additional business may be brought forward at an adjourned or special meeting subject to the conditions of Rule 5(d) above, and also subject (in case of an adjourned meeting) to the full quorum required by section 42 of the Act being present.

10. Every motion or amendment shall be reduced to writing, and seconded before being put to the meeting or debated. The mover of any motion or amendment may withdraw the same at any period of the debate.

11. Every amendment shall be so worded as to form an intelligible sentence, either alone or in its proper place in an original motion, as the case may be; provided that no amendment can merely negative the original motion.

12. In discussing questions coming before the meeting, a Commissioner shall speak from his place, shall rise when he speaks, and address the President. A Commissioner shall not be allowed to read his speech, but he may refresh his memory by referring to notes, and he may read as part of his speech passages from books or papers cited in support of his argument. At any time if the President rises, any Commissioner speaking shall immediately resume his seat. No Commissioner shall be heard except upon business then regularly before the meeting, or by permission of the President specially obtained in explanation of what he had said in a previous debate. No Commissioner other than the mover shall speak more than once upon a question, except by way of interpellation or by permission of the President; but the mover shall be allowed, if he has spoken to the question when making his motion, to close the debate with a reply. A Commissioner, who has spoken upon a motion, may speak once again upon any amendment thereof afterwards moved. And a Commissioner may explain by permission of the President what he has before spoken, if it has been misunderstood. No Commissioner in debate shall name another Commissioner.

13. Votes shall be taken either by show of hands or by poll, or by both. The votes of the Commissioners at a poll shall be taken by the President. Any three Commissioners present may demand a poll. When the show of hands has been taken, the President shall declare whether the resolution has been carried or not, and every matter shall be held to be decided and concluded on such declaration being made, unless a poll be at once demanded.

14. Voting by proxy is prohibited; and no member may vote upon any motion or amendment unless he be present in person at the time when it is put to the vote.

15. When an amendment upon any motion is moved, or when two or more such amendments are moved, the President, when taking the sense of the meeting thereon, shall read the terms of the original motion and of the amendment or amendments proposed. If there be but one amendment proposed, the question shall be put as proposed to be amended. If the amendment be carried in the affirmative, the original motion falls; but if the amendment be negatived, the original question shall be put to the meeting. If more than one amendment be proposed, the President shall put that amendment first, which he thinks may most conveniently be first disposed of; and so, if necessary, of all the others. If any motion as made involves several points, the President, at his discretion may divide it, so that each point may be determined separately.

16. When any Commissioner shall have occasion to ask a question of another Commissioner relating to the business of the meeting, he shall ask the question through the President.

17. Subject to the foregoing rules, the President shall regulate the course of all business brought before any meeting of the Commissioners. He shall preserve order, and all points of order shall be decided by him. No discussion on any point of order shall be allowed, unless the President shall think fit to take the opinion of the Commissioners thereon. Any Commissioner may at any time submit a point of order for the decision of the President.

18. Any member speaking or otherwise interrupting while another addresses the meeting shall be considered out of order, and any member out of order may be called to order by the President.

19. No subject once finally disposed of can be reconsidered within six months, except on a requisition signed by not less than two-thirds of the Commissioners.

20. For the purpose of taking into consideration any particular business, a meeting may resolve itself into a Committee of the whole of the Commissioners present. When this has been determined, the rule prohibiting any person from speaking except when standing or more than once on the same question shall be deemed suspended until the meeting resumes.

21. The Commissioners in meeting may from time to time appoint such and so many Committees, either of a general or special nature, and consisting of such Commissioners as they think fit, for any purposes which, in the opinion of the meeting, can be conveniently regulated and managed by such Committees; but the business transacted by any such Committee shall be subject to the approval of the Commissioners in meeting.

22. The members of each such Committee shall hold office for one year only, but shall be eligible for re-appointment.

23. Any member of a Committee who, without the previous permission of the Chairman of the Commissioners, shall fail to attend three consecutive meetings of such Committee, shall thereby cease to be a member thereof, and the Committee shall apply to the Commissioners to appoint another member in his place.

24. A Committee may meet and adjourn as it thinks proper. The quorum shall consist of not less than three of its members. The President shall be the Chairman of the Commissioners, or, in his absence the Vice-Chairman, or, in their absence, any member present elected by the meeting. The rule prohibiting any person from speaking except when standing, or more than once on the same question, shall not apply to meetings of a Committee.

Rule 9.—Notices of motions accompanied by verbatim drafts must be sent to the Chairman in time to be included in the list of business for the next meeting. Notices received too late shall be inserted in the list of business of the next succeeding meeting.

Rule 10.—A notice-book shall be kept by the head clerk of the Board, in which all notices of motions shall be entered. All such notices shall be dated and numbered as received.

ADJOURNED MEETINGS.

Rule 11.—An adjourned meeting is not competent to transact any business save that which the original meeting left unfinished.

Rule 12.—An adjourned meeting, being merely a continuation of the original meeting, does not require any fresh notice.

CONDUCT OF PROCEEDINGS AT MEETINGS, &c.

CLAUSE (b).

Order of business.

Rule 13.—At ordinary meetings the business shall be conducted in the following order:—

- (a) The minutes of the last ordinary meeting, and of any special meeting held since, shall be read.
- (b) Business postponed from the last ordinary meeting shall be considered.
- (c) A progress report of works shall be laid before the Board.
- (d) Letters and reports of Committees shall be read, and accounts and statements shall be considered and passed.
- (e) Motion of which due notice has been given to be discussed.
- (f) Any other business which may be brought forward, provided that the majority of the members present consent.

Rule 14.—At a special meeting only the business for which the meeting was called shall be considered.

Rule 15.—In the event of any objection being raised to the manner in which any resolution has been recorded the Chairman shall decide the question after reference to the original draft of the resolution, and if he finds the minute to be inaccurate, shall make the necessary correction in the minute-book.

Rule 16.—Unless by permission of the majority of the meeting, all subjects shall be discussed in the order in which they appear in the notice paper.

Of motions and amendments.

Rule 17.—Every motion and amendment duly moved must be seconded, and until seconded no debate thereon can take place.

Rule 18.—Every amendment shall be so worded as to be capable of making an intelligible sentence, either alone or in its proper place, in an original motion, as the case may be; provided that no amendment can merely negative the original motion.

Rule 19.—The President of the meeting may, for reasons to be recorded in writing and entered in the minutes of the proceedings—

- (a) rule that a motion or amendment is illegal or out of order, and
- (b) make such alterations in a motion or amendment as shall in his opinion render it legal and in order;

and may in case (a) refuse to put the motion or amendment to the meeting unless and until the proposer and seconder accept the alterations so made, and the decision of the President shall be final.

Rule 20.—After a motion has been moved and seconded, an amendment may be moved at any stage of the debate thereon.

Rule 21.—On the discussion being concluded, in the event of several amendments having been proposed, the President shall put the last amendment to the vote first; if it is negatived, he shall put the last preceding amendment; and lastly the first amendment; and if all the amendments are lost, the original proposition shall be put to the vote.

Rule 22.—When a motion or an amendment has been put from the chair, and been declared by the President to be duly carried, no further proposals for amending the motion or amendment can be entertained.

Of the right to speak.

Rule 23.—Every member shall ordinarily stand when addressing the meeting, provided that the Chairman may for any reason permit any member to sit while so doing.

Rule 24.—The member who first rises to address the meeting, shall be entitled to be heard first, and should more than one member rise to address the meeting at the same time, the order of precedence shall be determined by the President.

Rule 25.—Any member shall be at liberty to call the attention of the President to a point of order, even when a member is speaking. On a point of order being raised, the member addressing the meeting shall resume his seat until the question has been decided by the President. After the decision of the President, the same point of order cannot be raised again. Except as provided by this rule, no member shall interrupt a speaker in possession of the meeting.

Rule 26.—Except as provided in the last preceding rule, no member shall speak except to move or second a motion or amendment, or to support or oppose a motion or amendment which has been duly moved and seconded.

Rule 27.—A speaker who has exhausted his right to speak on an original motion, may speak on any amendment being moved.

Rule 28.—The mover of a motion or amendment shall in all cases have a right of reply, but otherwise no member shall speak more than once on the same motion or amendment, unless in explanation of some part of his original speech.

Miscellaneous.

Rule 29.—Unless not less than one-half of the members of the Board consent by signing a requisition, no subject once finally disposed of can be reconsidered within six months.

Rule 30.—For the purpose of taking into consideration business involving many details, the meeting may resolve itself into a Committee of the whole body. When this has been determined on, the rule prohibiting any person from speaking more than once on the same question shall be deemed suspended until the meeting resumes.

Rule 31.—When a motion or amendment is put to the vote, the President shall, if the mover or seconder so desire, record against it, first, names of members voting for it, and then the names of those voting against it. If the mover or seconder do not desire the names to be recorded, it will be sufficient to record the number of members for and against the motion.

Rule 32.—Voting by proxy is prohibited; and no member may vote upon any motion or amendment unless he be present in person at the time when it is put to the vote.

Rule 33.—The minutes shall, if the mover or seconder so desire, contain a brief abstract of the discussion preceding each resolution.

Of protests or dissents.

Rule 34.—Protests must be limited to a concise and definite statement of the motives which prompted the votes of members who voted in the minority on a given question.

Rule 35.—Notice of protests must be handed to the Chairman before the conclusion of the meeting at which a resolution protested against was passed, and the protest must be handed in not later than the next succeeding meeting.

Rule 36.—Protests duly made shall be appended to the minutes and published in the same manner as the minutes are published.

Of adjournments.

Rule 37.—It shall be competent to any member to move the adjournment of the debate or of the meeting in a speech not exceeding five minutes in duration.

Rule 38.—When a motion for the adjournment of the meeting or of a debate is made, it shall be seconded without a speech, and put by the Chairman to the vote without debate or amendment.
